

Are you ready to **GrOW** at Cornerstone CE Primary in Whiteley?

We opened with 25 pupils in 2 classes in September 2013. We have a planned move into a brand new, purpose built 3 form entry school in September 2017.

We are offering:

- The opportunity to grow professionally within a positive, innovative and supportive staff team
- The opportunity to collectively design a curriculum for 21st century learners and regularly explore and redefine high quality teaching and learning with colleagues
- The opportunity to be part of the process of developing a brand new purpose built environment
- The potential to become part of the leadership of a 3 form entry primary

Are you someone who:

- Is a high quality class teacher and passionate about children learning?
- Is excited about the next stage of your career and would love to be part of something very special?
- Is passionate about growing professionally within an empowering environment and supportive culture?
- Has the desire to embrace new opportunities to help develop an 'Exceptional Learning Community' as we grow as a school?
