

It means you are wishing  
for something good to  
happen.

Hope means wanting to look  
after other people.

Hope means that no matter how dark things may seem you can always find the light.

Hope means wishing people could be cheerful instead of sad.

Hope means having  
the right attitude.

It may take time, but  
believe that you can achieve.

Hope helps you to make  
friends by seeing the  
best in people.

We have hope that we  
choose the right path.

When we say something  
wrong, we hope we will  
be kinder next time.
