

## Home Learning Discussion (some responses): HOPE

- To grow to become a helpful and kind person
- To grow by having a positive attitude and by learning to be a kind and thoughtful person
- Learning more and more each day
- Important to look forward to new challenges
- Cornerstone will teach me good values for life
- To invite new people to play games with me
- Other show Hope by encouraging us to try harder and new things
- To feel positive in order to do the things I hope to achieve
- To grow up close to God
- Adults have faith in me to try new things for myself and to try things on my own
- I hope to learn to read more so that I enjoy learning
- God will never leave me alone and will teach me good things
- Hope to grow as a person who is happy, kind and shows empathy
- Others encourage me to be myself and be confident to try new things
- To do my best and not let anything get in my way
- God looks after us and cares for us
- Others hope we work hard and trust us to do the right thing
- Jesus teaches us to have faith in doing what is right
- To grow as a clever, likeable and well-rounded person
- Achieve goals through listening and choosing the right path
- Trusted to make the right choices and do the right thing
- Jesus showed Hope to mankind to follow the right path and live in peace in harmony
- We all need Hope for a better and brighter future
- If you are positive you might learn something new
- Without Hope people would give up on themselves and feel sad
- I want to keep growing and learning and doing my best
- Jesus was a good man and we should be like him
- Others support me to do things, to try again and give me the belief I can do it
- You never know what is always going to happen
- I hope to be happy to learn, kind to others and always try my best
- Hope helps us grow inside and outside
- Hopes to grow big, nice, calm and gentle
- Jesus has taught us that when we die he will look after us
- Asking Jesus for help when we feel muddles is called praying
