

## Home Learning Discussion (some responses): TRUST

- Trusting teachers makes us feel safe to leave our parents
- Trusting your friends means you can rely on them to play together and to help each other
- Adults show our trust in Jesus if they have their children baptised and agree to follow his ways
- We trust people if they are reliable, good and honest
- Trust means that you will do what you say
- Being trusted means people think you are an honest person
- Trust your heart and believe in yourself and God
- Try not to let other people down
- Be yourself: be you
- Jesus trusted his disciples – they all loved and cared for each other. We can demonstrate this with our school friends
- Trust makes you feel secure, happy and safe
- We trust doctors and nurses to care for us
- Trust that the teachers are teaching you all the things you need to know
- If you tell your friends the truth, they believe you and it makes you feel good
- You show trust by believing in others
- We show trust by listening to other people
- People can trust me because I tell the truth and I do what I say I will
- Jesus teaches us that trust is important because it mean we can have good relationships
- I trust mummy and daddy will look after me
- Mummy and daddy trust me to be good
- We trust the emergency services to keep us safe
- I trust Jesus to love me
- Jesus teaches us to trust in God and that God will do his best for us
- Without trust you would feel lonely and sad
- You have to feel it in your body to trust someone
- We have to trust ourselves to be ok when walking backwards in multi-skills
- Trusting someone means life is more comfortable
- By believing in others to be true and tell the truth
- Mummy trusts me to be nice to others
- Without trust who would you ask for help or talk to when you needed to?
