

## Macaroons

A tasty goodness will come into your mouth and it comes out of just a little circle. These aren't just normal macaroons, these are tasty lovely great macaroons. Eat a golden macaroon today. They come from France: eat these now. These are a type of food that can be made for a good taste and maybe even for your child's lunch at school. These can be a completely adored type of food. You should really make these macaroons, just get a lot of tasty goodness.

Please make macaroons.

MAKE THEM, EAT THEM, LOVE THEM!

*Sam (Y3)*

## Macaroons

The delicious crumb of a macaroon burst in your mouth with amazing flavour. They have mouth-watering crusts of a sweet flavour. They deliver a great French taste as they are made in France. You can have them with lovely trifle and yoghurt. You may also share them with your friends and family.

Enjoy them happily.
