

# The Three Little Pigs

Once there were three little pink pigs. They lived in a little tatty cottage, but their pretty mother said there was not enough room anymore. So they left. On the way they decided to build a house.

The first little colourful pig built a house of straw. The second little muddy pig built a house of sticks. The third little pig built a house of black bricks. They went in their pretty houses.

But a big bad wolf came and blew two houses down. Boo. The two little pigs went to the brick house to hide. Then they stayed there, but the wolf tried to blow the house down. He couldn't and blew himself away. The three little pink pigs lived happily ever after.

# The Elves and the Shoemaker

Once upon a time there was an old friendly man and an old lady. They were poor and only had one set of materials to make a pair of shiny shoes. The handsome old man fell asleep.

In the morning there was a pair of sparkly shoes and the old man and lady didn't know how it had happened. The next night the shoemaker and his perfect wife hid behind the small curtain. They saw the funny and kind elves. He and his wife made two pairs of perfect clothes.

The next night the helpful elves came and found the clothes for them, but they never came again.
