

Autumn time

Autumn is here again.

See the leaves fall down to the ground.

See the children play in the leaves.

There are a lot of colours

Red, yellow, orange and brown

That have been played in.

The children have happy faces on them.

The warm clothes when they play

With chilly cheeks

Running up and down.

Autumn time

Leaves are falling down.

See the colours – red, yellow and brown.

Blown by the wind.

Under the cold sky.

Making rustling sounds

It gets colder.

Let's get inside, it looks like it's going to snow.

Harvest Time

Apples and plums

Bananas and carrots

All in one.

The fruit is in a bowl

With blackberries and pumpkins and beans.

Autumn time

The Autumn leaves
Are falling down.

I hear the rustling noise.

The beautiful apples and pears
Are falling down.

The leaves are blown
By the wind and rain.

Abinav (Y2)

Autumn time

It's getting cold.

The leaves are falling
Off the trees.

Red and brown

Yellow and gold.
