

Praise

Hallowed be your name
God you are a loving and kind God
You are wonderful God
You are mighty and loving
You are generous and wonderful
You are brave, compassionate and mighty
God we praise you because you have the glory
You are the light of the world: you are the mighty one
You are gracious and great

Thank you

For my family and friends
For the trees, plants and world around us
For the food we have
For the great things we get and the fun things we do
For our wonderful world
That every day is a new beginning for us
For all the good things you do
For helping us and looking after me
For our lovely school
For our community when we are together
For keeping me happy in our school
For Jesus
For our lovely and beautiful world
For the Love you give

Sorry

For the bad things I do
For repeating the same mistakes
For saying wrong things to others at times
For the times we let you and our families down
For hurting other people's feelings
For being selfish or not listening
For not doing the right thing when we know we should
For hurting our friends
For when I don't forgive others for their mistakes

Please

Help us to say sorry and learn when we make the wrong choices

Guide us the way to go and make the right choices

Light up the world and teach us what is wrong and right

Look after us all, we are all in your hands

Help me when I struggle

Keep us all safe

Help us to be a community and support each other

Help me to step forward in my learning

Help us to be better people

Help us to learn new things and be happy

If we make mistakes help us to fix things

Help us to help other people

Help us to be kind and helpful to others

Help us be good everyday with you

Help us to be friendly to all others

Help us to be happy and healthy
