## Parent Survey July 2016

11th July 2016

Dear Parents.

As part of our ongoing work to develop and grow our school, we are seeking your views through an online survey. We would be very grateful if as many families as possible could reply by **Friday 22nd** July, to give us a broad perspective of parental views.

This is an internal survey, written by the school and all responses are anonymous. However, if there are particular points you would like to discuss in more detail, please do have a conversation with myself. We will consider all responses, though we are not able to guarantee that we will be able to action them all, as there may be differing views.

We are very pleased with the open, positive home-school partnerships we currently enjoy and hope that surveys like this will continue to strengthen these partnerships.

To find the survey online, please follow or click on the following link:

Many thanks in anticipation of your help in this matter.

Yours sincerely

Tim Clarke  
Headteacher
