Your child's learning at Cornerstone

Dear Parents,

At the start of this academic year, I wanted to share with you some information about the learning we as a school have planned for your child.

Attached to this letter, you will find two documents, which are year-group specific. Both documents combined are aimed to give you an understanding of what your child and their class are being taught this year.

Curriculum Overview – this document gives you an outline of the whole school year and maps out the learning for each of the subjects, broken down by half-term.

National Curriculum Year Overview – this document lists specific objectives for reading, writing and mathematics, taken from the National Curriculum.

As usual, these documents are also available on our school website, via the “Teaching & Learning” heading under the “Curriculum” tab or by following the link below:

I hope you find this information useful; should you have any queries, then please don't hesitate to speak to your child's teacher.

Yours sincerely,

Tim Clarke
Headteacher
