## Safety in the school car-park

Dear Parents,

We would like to draw your urgent attention to a safety concern following a recent incident:

A child was walking through the staff car-park unseen, while a member of staff was reversing and driving out of the car-park. While no-one was hurt, it highlighted a potentially dangerous scenario which we would like to address as a matter of urgency.

We must insist that parents and children do not cut through the staff car-park at ANY time. Please walk round on the pavement, setting a good example for all children.

Please also note that parents should not use the staff car-park.

We are currently in a very fortunate position as a school to have a much larger than average parking lot available to parents. However, as our school grows, so will the number of parents driving their children to and from school, and we need to be ever mindful of the safety issues surrounding this.

We would like to encourage you, whenever possible, to walk, cycle or scoot to school with your child. An alternative would be to park a short distance away from the school on a side street and walk the rest of the way.

Our utmost priority as a school has to be to keep our pupils, parents, visitors and staff safe, and we would appreciate your help with this.

Yours sincerely

Tim Clarke  
Headteacher
