Key Stage 2 class sizes

Dear Parents,

I would like to advise you that the school's Leadership Team and the Governing Body have recently undertaken a review of our Admissions Policy for 2017/18 and beyond.

We have taken into consideration the demand for places in our current Year 2 class (Year 3 from September 2017) and have taken the decision to increase the number of places available for each Key Stage 2 class (ie Year 3 and above) from 30 to 32 from September 2017 onwards, while we remain on our current site.

We hope this decision will go some way to address the demand, whilst also easing some of the ongoing financial pressure that we, like most schools, are facing.

No changes have been made to the Year R or Key Stage 1 classes (Years 1-2), where the number of places available will remain at 30. The updated Admissions Policy can be viewed on our website: www.cornerstoneprimary.hants.sch.uk/school-information/admissions

Please be assured that we have not taken this decision lightly and we are confident that this will not detrimentally impact the educational provision for our pupils, nor the ability of our class teachers to support, challenge and enthuse their students.

If you have any questions, as always, please do let me know.

Yours sincerely,

Tim Clarke
Headteacher
