PTA support

Dear Parents,

I would like to start by thanking everyone who has supported and been involved with the PTA over the last four years since the school opened. Everyone should be justifiably proud of the range of events that have been put on for children and their families. Also for the money that has been raised to support the school with funding items such as additional library books and furniture, iPad covers and of course our fantastic range of Trim Trail equipment. Without the hard work and commitment of this group of parents, other family members and staff these events and the resulting benefits for the children would not have happened.

We have a strong and passionate core group of parents who attend the PTA meetings to discuss and plan future events, and we have other parents who support by preparing resources for events, locating grants and by running stalls / being present at events. Our aim over the coming years is to increase the number of events and to increase the money raised to benefit the children's school experience. In order to do this we also need to increase the number of parents who can help generate ideas and plans at meetings (the next meeting is on Tuesday 9 May at 7pm) and also physically support at events. I appreciate that family life is very busy, and that everyone has a wide range of commitments, but I would ask that if you haven't supported the PTA previously you consider whether you could in the future, even if it was only for one event, that would make a difference to this hard working and dedicated team.

If you would like further information about the PTA you can like their Facebook page to keep up to date with what is happening and to contact them. We also now have a blue "Mail Box" next to the PTA board on the side of the building near the main pedestrian entrance to the playground, if you want to drop in a note for them. This year's Chair of the PTA is Clare Nichols and the Vice-Chair is Jon Howell, who would both be very happy to talk to any parent about how they could support the important work of the PTA.

Many thanks for taking time to read this letter and for your continued support.

Yours sincerely,

Tim Clarke
Headteacher

"This is a happy school where pupils achieve well in terms of their personal, as well as academic development and are growing up as responsible caring young people." Ofsted 2015
