## Sex and Relationship Education

Dear Parents

As part of our PSHE curriculum, we plan to teach the children about Living and Growing. In Year 2, 4 and 5, this involves showing some excerpts from a DVD called 'All about Us'.

In Year 4, the excerpts relate to:

1. Changes: physical and emotional (puberty)
2. How babies are made: life cycles and reproduction
3. How babies are born: focussing on the baby's development and needs of mother and baby

This material is currently used in many Hampshire schools and is age appropriate.

We would like to give you an opportunity to watch the programmes prior to you child seeing them. This may help if you have any concerns or because you would like to be able to talk to your child about them after they have viewed them.

On our website, you will find a copy of our SRE policy if you would like to read it.

We will be showing the programmes on Tuesday 13<sup>th</sup> June at 5.30pm and will obviously be happy to answer questions about the SRE curriculum. We anticipate the session finishing by 6.45pm.

Please complete the slip below and return to school if you are planning to attend.
