Dear Parents

We are pleased to confirm that the Choi Kwang Do (CKD) after school club will continue in September at Cornerstone Primary, on a Friday, for students who will be in Years 2-5. Existing CKD students will automatically be re-enrolled unless we are advised otherwise and we are pleased to advise that we do have limited additional places should your son/daughter be interested.

CKD is a non-competitive self-defence based martial art that gives both children and adults the opportunity to learn effective self-defence techniques in a fun and practical way. The way in which our classes are structured helps to improve behaviour, focus and self-confidence.

Mr Clarke has kindly agreed to our last session of this term being an open session for any existing parents to come and watch, and we would also like to invite any potential students and their parents to watch too, to see what a **'Class in Action'** is really like!

The session will take place this **Friday 14th July** straight after school and it will finish at 4.25pm, however please do not feel that you have to stay for the whole session.

How much does the after school club cost?

For **new students** we offer an introductory block of sessions for one term at a cost of £95. This includes a minimum of 10 classes, 12 months insurance, membership, a uniform, embroidered name badge and first grading fee.

For **existing students** the cost will remain at £6.50 per class plus annual insurance and membership fees and grading fees when applicable.

If your child is interested in joining the CKD after school club please return the slip below via the school office, or alternatively send an email to info@southcoastckd.com advising your child's name and year group. Please also use this email address if you have any questions about this letter or speak to me at the open session or before school drop-off (I can usually be found in Y1 classroom).

Yours faithfully

Mrs Helen Storey
Head Instructor & Welfare Officer
