"Future Opportunities" Week

Dear Parents,

We would like our pupils to learn about the diverse range and importance of different jobs / roles that people undertake in the 21st century. Therefore, we plan to run a week at the start of the second half of Summer term every year. This will hopefully inspire and excite the children about future possibilities before they move onto secondary school.

This year, our Future Opportunities week will take place during the week beginning 4th June 2018.

If you would be happy and willing to come and talk to our Y5 class for between 10-30 minutes, we would love to hear from you.

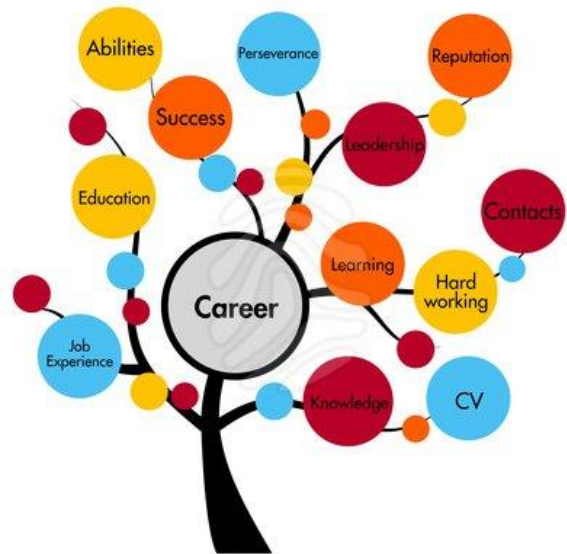

Our suggestion is to focus on:

- An overview of your job / role, and why it is so exciting / rewarding
- The types of knowledge and skills you need to do their job / role
- How it might link to school curriculum / subjects, i.e. the aspects that children would want to work hard at and pursue if they wanted to consider this career in the future

Please contact us on adminoffice@cornerstoneprimary.hants.sch.uk or call on 01489 660750.

Yours sincerely,

Tim Clarke
Headteacher

"This is a happy school where pupils achieve well in terms of their personal, as well as academic development and are growing up as responsible caring young people." Ofsted 2015
