## Parking at drop-off and pick-up times

Dear Parents,

Over the last few weeks, several issues around the safe use of the school car-park have become apparent, and we would like to ask for your support in addressing these.

We are currently in a fortunate position as a school to have a large car-park available to parents; most schools have little or no parent car-parking available. However, as our school grows, so will the number of parents driving their children to and from school, and we need to ask you to be mindful of the following issues:

- only use the disabled parking bay if you have a blue badge
- park only in designated parking bays
- do not block the entrance / exit gate

We must also insist that parents **do not use the staff car-park or cut through the staff car-park** at ANY time. Please walk round on the pavement, setting a good example for all children.

We would like to encourage you, whenever possible, to walk, cycle or scoot to school with your child. An alternative would be to park a short distance away from the school on a side street and walk the rest of the way. Please obviously consider the local residents and do not block any driveways.

Should you be interested in investigating car-share opportunities, please note that there is a form in the school reception where you can register your interest.

Our utmost priority as a school has to be to keep our pupils, parents, visitors and staff safe, and we would appreciate your help with this.

Yours sincerely

Tim Clarke  
Headteacher
