Why is she famous?

Rose is famous because her life took a turn when she saw a truck. As she <sup>was</sup> is a determined girl, Rose decided to follow it. Like chocolates vanishing from a box, her face turned blank ~~with~~ with disappointment as she saw the truck arrive at a concentration camp. ~~That is~~ It was then she decided she must help.

Rose helped the Jews (that were in the concentration camp) by saving all of her food that she needed to give to them <sup>poor</sup>. Soon this became a repetitive day after day activity that her <sup>mother</sup> ~~sum~~ did not agree with.

Unfortunately, the camp got destroyed and Rose was heartbreaker. Sadly, the soldiers shot found out what she was up to. She is presumed dead as there was the sound of a bullet and her body was never found.

her legacy:

Even though Rose Blanche died at a young age, she shall definitely be a role model to many. We have all been taught a lesson as nobody should treat someone as they shouldn't be treated. She did a heroic act and her courage, passion, bravery, and selflessness will certainly pass on down into those who know her.
