

## **The Tunnel**

One day there lived a girl and a boy called Jack and Rose but they never got along. Jack liked to play football and he was rough and Rose liked to read quietly. One day they had breakfast and Jack wanted Rose to play football.

Their Mum shouted go out and get along for once because they never got along. They always argued. At night Jack scared Rose because Jack knew Rose was scared of the dark. Jack and Rose went out when Mum said. Jack found a tunnel and called Rose. Jack went right in because he wasn't scared of the dark like Rose. If Jack didn't and Rose did Mum would laugh. Rose waited and waited but Jack didn't come back. Rose just went in she saw a tiger! She realised it was her brother. She was scared! She threw her arms around Jack.

If Rose didn't go in the tunnel he would get eaten by a monster. When Rose crawled into the tunnel it was damp and scary.
