

Hope is important because it is what keeps you going when you are down. It's the light at the end of the tunnel.

Hope is the key to unlock your positivity and to learn from mistakes.

Hope is important,  
because without Hope  
there would be a void of  
sadness.

Hope is important  
because it brings  
people together.

Hope is a place you can be:  
a place to relax, a place to  
sit back, a place to wish.

It there was no hope there  
would be dread, and people  
wouldn't learn and grow.

Hope means never  
forgetting about  
other people.

Hope is about making  
the right choices and  
getting better.

Hope means having  
someone's heart in  
your heart.
