

**Love can be shown
silently through
actions.**

**Helping people when
they need it.**

Using kind words,
hands and feet
towards others.

It's a strong
connection. When
people truly trust
and care for others.

**An invisible
thoughtfulness
for others.**

**A never ending
friendship and
respect for others.**

**Caring for everyone
and making sure they
are comfortable.**

**Someone spreads
positivity to make
someone else's day.**

**Love is protection,
kindness and care.**

**Treating other
people how you want
to be treated.**

**Love is special
but can be around
us every day.**

**Love is family and
friendship.**
