Permission, Allergies & Medical Issues

This letter covers several aspects of our curriculum and ways to share and celebrate your child’s learning and successes. It will help us to maintain your child’s health and wellbeing as well as giving us permission to include them in every aspect of school life. We would be grateful if you could read the following information, sign each section and return the completed form to the school office **as soon as possible**.

We will assume that, if you have not signed a particular section, you do not wish your child to participate in this particular activity.

Local Visits

As part of their learning the children may visit the Whiteley area with staff (within walking distance of the school). This may include visiting the local amenities. In line with Hampshire County Council guidelines, risk assessments are completed for all off site activities. Permission for visits that require transport will be dealt with separately.

I give permission for my child to take part in local visits.

We might also share the achievements of the children and the work we do with local newspapers. This is a great opportunity to celebrate our achievements with our community and the children like to be included in these special occasions.

I give permission for my child's work/photograph to be used outside of school (i.e. in the local newspaper and radio stations). Please note the press are exempt from the Data Protection Act and may want to include the names and personal details of children and adults in the media.

Please note that if any of this information changes during your child's time with us, you will need to let us know. **A reminder text will be sent out at the beginning of each academic year, and a copy of the permission letter can be found on our website.**

Another copy of this form will be sent out at the beginning of each academic year to those parents who have not signed all sections, to give them an opportunity to review their choices.

If you have any queries, please speak to Mrs Gadd or Mrs Jones in the school office. Many thanks for your support in this matter. We look forward to another exciting year of opportunities for your children and to sharing their achievements and school news with you.

Yours sincerely
