Cornerstone PTA Family Photo Shoot – Saturday 9th November 2019 9am – 5pm at Clockhouse Photography Studio, 1 Leafy Lane

Dear Parents,

Cornerstone Primary School PTA is excited to announce that we will be holding another fundraising family photo shoot.

Once again, our Whiteley based photographer from Clockhouse Photography will be taking family photographs on Saturday 9th November, from 9am until 5pm. This is an ideal opportunity to have some professional family portraits taken in a local studio in Leafy Lane. Ideal for Christmas presents!

There is no session fee and the images will be available at a reasonable cost. There will be an online ordering system where you can purchase digital images, prints and gifts, which will all be ready in time for Christmas.

Please go to <http://clockhousephotography.co.uk/cornerstone/> to book your session. You may need to copy and paste this link into your browser. It's that simple! A slight website glitch preventing any editing of the form means that it is dated Christmas 2018, but it will work for Christmas 2019 slot bookings.

Clockhouse Photography look forward to hearing from you. (www.clockhousephotography.co.uk)

Thank you to parents for your continued support.

Kind Regards,
Cornerstone PTA
