Cornerstone SEN Information Report

Dear Parents,

As part of our commitment to being an inclusive school I would like to take this opportunity to consult with you about the Cornerstone SEN Information Report.

The SEN Information Report is a document that we have a statutory obligation to make publically available on the school website. The document is primarily aimed at parents and therefore I felt it was important to consult with you about whether you feel the document is reflective of the school you experience. Equally, as parents, do you find the document easy to understand? Do any points need further clarification to make the document more accessible?

The draft document is attached and will be available on the school website once finalised.

Please can I ask you to take a moment from your busy lives to read through the document. If you have suggestions for changes, questions or comments please make them in the box below and return to the school office as soon as possible. Alternatively, you may email me directly at s.southall@cornerstoneprimary.hants.sch.uk. I will then endeavour to edit the document to incorporate all suggestions.

Yours sincerely,

Sarah Southall
SENCO

Cornerstone SEN Information Report – Parent Feedback – January 2020

I have accessed the Cornerstone SEN Information Report and have the following contribution to make:

“The school’s values of Love, Forgiveness and Hope thread through the everyday life of the school. Pupils enjoy school life and their learning at Cornerstone. Teamwork permeates through the school, with staff motivated to ‘Growing an Inspirational Learning Community.’” (Ofsted 2019)
