## Dance Live! Final

Dear Parents,

This week, Cornerstone would have been due to take part in the Dance Live! final. Dance Live! is a theatrical dance competition, in which many local schools take part. Due to its popularity, Dance Live! have decided to hold a **virtual final** for 2020. We would love as many children to get involved with this as possible.

The Junior Schools virtual final will take place **from 12pm on Thursday 23<sup>rd</sup> April – 11.59am on Friday 24<sup>th</sup> April**. During this time, you will get an opportunity to watch video performances of all the schools that took part in 2020 and then vote for your winner. You cannot cast a vote for your own school.

Perhaps choose a time as family to sit down and watch the videos before making your vote. You may also want to share the link with your friends and family or watch it at the same time as your Cornerstone friends!

On Thursday, you will receive a link to a Google Drive folder which contains one video of all the performances. You can then watch the performances directly from the Google Drive; **you do not need to download the videos**. However, depending on your internet speed, you may need to wait for the performances to load, as the files are huge!

You will also be sent a voting link which will take you directly to a page to cast your vote. Winners and runners up will then be shared on Monday 27<sup>th</sup> April.

Thank you for your continued support and we hope you enjoy watching the show.

Yours sincerely,

Miss Goddard
